

# ORIGAMI MYTHICAL UNICORN

## ASSEMBLY INSTRUCTIONS

Time to Complete: Approximately 30 minutes Level: Challenging

### ASSEMBLING YOUR UNICORN

**FOLDING KEY**

- Crease**
- Mountain Fold**
- Valley Fold**

**1** Using scissors, cut out the printed square of paper.

Face unicorn side down. Fold corner to corner.

**2** With the unicorn's horn facing down and toward you, fold corner **a** and corner **b** into the center crease, using valley folds.

**3** Fold corner **c** and corner **d** into the center crease, using valley folds.

**4** Create creases by making a mountain fold on line **a**. Then, flip over and make mountain folds on lines **b** and **c**.

**5** Create leg flaps by pinching a mountain fold on lines **d** and **e**, while tucking a valley fold on lines **f** and **g**. Then, valley fold both flaps down, to face unicorn's head.

**5** Fold in half using a mountain fold.

**7** Make a valley fold along line **h**. Flip over and repeat on other side. Repeat on line **i**.

**8** Create valley folds on both sides of line **h**. Create mountain folds on both sides of line **i**.
